Hey –

I have a few names that are not on the email you sent out yesterday afternoon.

Are these people cleared to deploy as Comm Liaisons?

Kara Allen – all H&S training requirements have been met; prescreening exam must be accomplished prior to deployment.

Petra Sanchez – NOT Cleared; overdue on first aid/cpr training and annual respirator fit test/training

Trisha Curran – NOT Cleared; overdue on annual EPA H&S refresher training; prescreening exam must be accomplished prior to deployment

I am sure that I will be asking you about more, since we are trying to ramp up 15+ CL's for next week.

Thanks –  
Mike
